Blood and Rage: A Cultural History of Terrorism Michael Burleigh

In this sweeping and deeply penetrating work, distinguished historian Michael Burleigh explores the nature of terrorism from its origins in the West to the current global threat fueled by fundamentalists. Burleigh takes us from the roots of terrorism in the Irish Republican Brotherhood, the Russian Nihilists, and the London-based anarchists of Black International to the various terrorist campaigns that exist today. He also explores the lives of people engaged in careers of political violence and those who are most affected by the scourge of terrorism. Authoritative, illuminating, and masterfully written, *Blood and Rage* sheds an unflinching light on the global threat that we are likely to face for decades to come.
