## **Don't You Know Who I Am Yet?** Jonathan Jaxson

"Don't You Know Who I Am Yet?" is about a young man searching desperately for the acceptance and attention that his family could never provide. As a confused teenager, he eventually became addicted to the heightened atmosphere of Reality TV and was featured on countless shows by using issues from his difficult past as talk show fodder. Jonathan finally positions himself in what he thinks is a legitimate career as a Hollywood publicist only to find himself back in the Reality TV world helping stars and wannabes become famous by any means necessary. It's a cautionary tale about how instant fame and public adulation can become as addictive as any drug in our celebrity-focused, Reality TV culture, and a look behind the velvet ropes in Hollywood. It's a lesson Jonathan learned the hard way.
