**In the Blood (Jefferson Tayte Genealogical Mystery)** Steve Robinson

Two hundred years ago a loyalist family fled to England to escape the American War of Independence and seemingly vanished into thin air. American genealogist Jefferson Tayte is hired to find out what happened, but it soon becomes apparent that a calculated killer is out to stop him.

*In the Blood* combines a centuries-old mystery with a present-day thriller that brings two people from opposite sides of the Atlantic together to uncover a series of carefully hidden crimes. Tayte's research centres around the tragic life of a young Cornish girl, a writing box, and the discovery of a dark secret that he believes will lead him to the family he is looking for. Trouble is, someone else is looking for the same answers and will stop at nothing to find them.

*In the Blood* is the first book in the Jefferson Tayte mystery series.

**Revised edition: Previously published as part of the Jefferson Tayte Genealogical Mystery series, this edition of *In the Blood* includes editorial revisions.**
