Now in its third edition, *Latin American Classical Composers: A Biographical Dictionary* provides a singular English-language resource for biographical information on hundreds of composers from Central and South America and the Hispanic Caribbean. Entries provide biographical data comprising full names, birth and death dates and locations, background, education, and training, as well as selective works lists more than 2,300 composers. An index of composers by country and women composers of Latin America complement the volume. An essential part of any music library, *Latin American Classical Composers* is an invaluable reference for librarians, musicologists, ethnomusicologists, researchers, and music students.
