Moradores de la Luna (Spanish Edition) David Estes

“Una de las 15 Series Que Debes Leer si Disfrutaste Los Juegos del Hambre” – BuzzFeed

En un desesperado intento por escapar de la destrucción, hace décadas, la humanidad se vio obligada a vivir debajo de la superficie terrestre, en las profundidades de la Tierra, creando una nueva sociedad llamada los Tres Reinos.

Luego de que sus padres y hermana fueran abducidos por los Ejecutores, Adele, de diecisiete años, un miembro de la clase media de los Moradores de la Luna es, injustamente, sentenciada a vivir en prisión por los crímenes de traición de sus padres.

Contra todo pronóstico, Adele debe escapar de la Pen y encontrar a su familia, mientras es perseguida por la demente máquina asesina llamada Rivet, quien trabaja para el Presidente. Ella es ayudada por otros reos, Tawni y Cole, cada uno de los cuales tiene secretos oscuros que es mejor que quedaran sin descubrir. Además de amigos, lo único que ella tiene a su favor es su patada giratoria y dos puños que han sido bien entrenados por su padre.

Al otro lado del espectro social se encuentra Tristán, el hijo del Presidente y Morador del Sol. Su madre se ha ido. Él odia a su padre. Con el único apoyo de su sirviente y mejor amigo, Roc, abandona su privilegiada vida en el Reino del Sol, buscando hacer algo bueno con su problemática existencia.

Cuando una guerra irrumpe en los Tres Reinos, Tristán se encuentra en medio de un conflicto que parece, misteriosamente, seguir a Adele quien trata de encontrar a su familia y descubrir el verdadero pasado de sus padres.
