The Reef Nora Roberts

From #1 *New York Times* bestselling author Nora Roberts comes an exciting tale that takes readers to the depths of the Caribbean...and the heights of passion and suspense.

Marine archeologist Tate Beaumont has a passion for treasure-hunting. Over the years, she and her father have uncovered many fabulous riches, but one treasure has always eluded them: Angelique's Curse—a jeweled amulet heavy with history, dark with legend, and tainted with blood. In order to find this precious artifact, the Beaumonts reluctantly form a partnership with salvagers Buck and Matthew Lassiter.

Having to share this dream is more than Tate can bear, but she has little choice. As the Beaumonts and Lassiters pool their resources to locate Angelique's Curse, the Caribbean waters darken with shadowy deceptions and hidden threats. Their partnership is placed in jeopardy when Matthew refuses to share information—including the truth behind his father's mysterious death several years earlier. For now, Tate and Matthew continue their uneasy alliance—until danger and desire begin to rise to the surface...

From reader reviews:

Terry Tyrrell:

Book is to be different for each grade. Book for children until finally adult are different content. To be sure that book is very important for people. The book The Reef has been making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The book The Reef is not only giving you considerably more new information but also being your friend when you feel bored. You can spend your personal spend time to read your guide. Try to make relationship while using book The Reef. You never really feel lose out for everything if you read some books.

John Sanchez:

This The Reef book is not really ordinary book, you have after that it the world is in your hands. The benefit you get by reading this book is definitely information inside this guide incredible fresh, you will get information which is getting deeper you read a lot of information you will get. That The Reef without we know teach the one who reading through it become critical in imagining and analyzing. Don't end up being worry The Reef can bring any time you are and not make your carrier space or bookshelves' come to be full because you can have it inside your lovely laptop even mobile phone. This The Reef having excellent arrangement in word and layout, so you will not really feel uninterested in reading.

Colleen Greenwood:

Reading a e-book can be one of a lot of task that everyone in the world likes. Do you like reading book so. There are a lot of reasons why people love it. First reading a book will give you a lot of new data. When you read a book you will get new information mainly because book is one of several ways to share the information or even their idea. Second, studying a book will make a person more imaginative. When you looking at a book especially fictional book the author will bring someone to imagine the story how the people do it anything. Third, you can share your knowledge to other people. When you read this The Reef, you may tells your family, friends as well as soon about yours e-book. Your knowledge can inspire different ones, make them reading a publication.

Frederick Cagle:

A number of people said that they feel weary when they reading a book. They are directly felt that when they get a half parts of the book. You can choose the actual book The Reef to make your own personal reading is interesting. Your current skill of reading skill is developing when you like reading. Try to choose easy book to make you enjoy to learn it and mingle the feeling about book and reading especially. It is to be initially opinion for you to like to open up a book and examine it. Beside that the book The Reef can to be your brand-new friend when you're sense alone and confuse using what must you're doing of this time.
