A Guide to Service Desk Concepts (Help Desk) Donna Knapp

A Guide to Service Desk Concepts, Third Edition, discusses the different types of service desks that exist, how they are measured by the organizations they support, the varying roles and skills required within a typical service desk, and the processes and technologies commonly used to ensure the service desk is operating efficiently and effectively. In this edition, the author also includes references to ITIL V3 best practices, leading quality and IT service management frameworks and standards, up-to-date research, trends, case studies and resources, and the latest information regarding the role of outsourcing and certification in the service desk.

From reader reviews:

Kathryn Richardson:

What do you ponder on book? It is just for students since they're still students or the item for all people in the world, exactly what the best subject for that? Simply you can be answered for that problem above. Every person has various personality and hobby per other. Don't to be pressured someone or something that they don't desire do that. You must know how great and important the book A Guide to Service Desk Concepts (Help Desk). All type of book could you see on many sources. You can look for the internet options or other social media.

Jerry Deal:

In this 21st one hundred year, people become competitive in each and every way. By being competitive today, people have do something to make these survives, being in the middle of the crowded place and notice through surrounding. One thing that sometimes many people have underestimated the idea for a while is reading. Yep, by reading a book your ability to survive increase then having chance to stand up than other is high. To suit your needs who want to start reading any book, we give you this kind of A Guide to Service Desk Concepts (Help Desk) book as beginning and daily reading publication. Why, because this book is usually more than just a book.

Adam McGrath:

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some guide, they are complained. Just small students that has reading's spirit or real their hobby. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this A Guide to Service Desk Concepts (Help Desk) can make you really feel more interested to read.

Adam Cuyler:

What is your hobby? Have you heard that will question when you got scholars? We believe that that problem was given by teacher for their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person including reading or as reading become their hobby. You need to know that reading is very important and book as to be the issue. Book is important thing to increase you knowledge, except your teacher or lecturer. You get good news or update in relation to something by book. Numerous books that can you choose to use be your object. One of them is this A Guide to Service Desk Concepts (Help Desk).
