## **Quiet Whisperings: And Other Weird Tales** Mark Ludwig Stinson

Quiet Whisperings and Other Weird Tales features the collected weird horror fiction of Mark L. Stinson. The book also includes the stories An Autumn Chill, That Which is Hidden, Savory Flesh, and The Hole. These dark tales strive to live up to H.P. Lovecraft's one test of the truly weird: "-whether or not there be excited in the reader a profound sense of dread, and of contact with unknown spheres and powers: a subtle attitude of awed listening, as if for the beating of black wings or the scratching of outside shapes and entities on the known universe's utmost rim..." Quiet Whispering is illustrated, and includes Mark L. Stinson's Killery's Gallery, featuring stark serial killer portraits and summaries of their horrible lives.
