CPM Manga is proud to present our second Lodoss graphic novel, The Lady of Pharis. Kind of like Curse of Spawn is to Spawn, this series spins off tales of the other characters who inhabit the haunted, war-torn and magical island of Lodoss. Lady of Pharis introduces new Lodoss characters including the heroine, Flaus, a savage warrior fire maiden, who leaves her evil master to live a life of her own amid the demons and vampires of Lodoss. She meets Wort and Beld, who join her quest to find the legendary King Fahn. They journey to Allania where they are tested to the limit in defending Lodoss from the horned Beast and the powerful witch Mana! The art is beautifully rendered by Akihiro Yamada, who adds the influences of English fantasy illustrators like Arthur Rackham to his own manga style. The story is masterfully crafted by series creator Ryu Mizuno.
