Testimony of Miracles is a powerful life experience of death and near-death events, followed by visitations of angels to bring guidance to a child who was left abandoned on the streets at age seven. It is about a young man who joined the military, to die in battle, to escape the misery of not having a family and living on the streets, to having a supernatural force save his life hundreds of times in the Vietnam War, to being visited in person and given instructions that put him in church and revealed these thirty miracles of the past and unfold in the present. After being sanctified by the Holy Spirit and going through a period of forgiveness, teachings began at his bedside as the Holy Spirit Himself taught him the Holy Bible and directed his new life in the likeness of Jesus Christ (I John 2:27).
