The Dragon's Captive: A BBW Dragon Shifter Romance Jane Rowe, Shifter Club, Paige Cooper
A best selling dragon shifter romance.

They said dragon shifters were long extinct, but they were wrong; a small group has just awoken after a thousand year long forced hibernation.

Now unleashed back onto the world, they have two main aims: Repaying their blood enemy the vampires for forcing them into their slumber, and finding women suitable to carry on their dragon lineage.

Kira is one such woman who is captured by these dragons. Facing an impossible situation, the last thing she expects to happen is to fall for one of her captors... But that's exactly what's about to happen!

Enter Nico, a tall, handsome shifter capable of not only putting fear into the strongest men, but making usually cool woman act like giddy school girls facing their first crush.

Kira knows it's wrong to give in to Nico's desires, but with her womanly needs just as strong, who's to says she can't get what she wants out of this arrangement?

Believe me when I tell you this is one paranormal fantasy romance you won't want to miss. Suitable for over 18s only due to sex scenes so hot they'll leave your toes curling!
