Beyond the Call of Duty: The Story of 18 World War II Medal of Honor Winners

Franklin Reck

Beyond the Call of Duty: The Story of 18 World War II Medal of Honor Winners Franklin Reck
Beyond the Call of Duty, first published in 1944, is a collection of stories about 18 U.S. servicemen awarded the Medal of Honor – the nation's highest military decoration for bravery – in the first two years of World War II. Author Franklin Reck interviewed awardees (if alive, 10 were killed in combat), their families, and their comrades-in-arms, to form a picture of each soldier's background, character, and the actions which led to his receiving the Medal. Included are 12 pages of illustrated maps highlighting the events leading to the award.
