First Aid/CPR/AED Training Participant's Manual American Red Cross

The American Red Cross First Aid/CPR/AED program is a comprehensive training program designed to help lay responders such as teachers, daycare providers and workplace responders recognize and respond appropriately to cardiac, breathing and first aid emergencies. This Participant's Manual eBook covers skills that readers need to know to give immediate care to a suddenly injured or ill person until more advanced medical personnel arrive and take over. This guide provides all of the necessary info for basic medical training knowledge that can make a difference.
