I Love Growing Older, But I'll Never Grow Old

J. Ellsworth Kalas, John Schroeder

I Love Growing Older, But I'll Never Grow Old J. Ellsworth Kalas, John Schroeder

Growing *older* is a process. Growing *old* is a conclusion. If you're growing *older* you see some hope because you have perspective and you keep learning. If you've grown *old*, you may cynically think that times have never been as bad as they are now, and that they can only get worse.

This book is about learning how to "make peace with where you are right now." It's about learning from the past and then moving past it. It's about growing?personally, spiritually, and in our relationships with God and with others. If we think properly about growing older we'll never have to grow old.
