They have a tremendous vested interest in keeping you from discovering what they are doing. And they have the big guns of the mass media at their disposal to fire the barrages at None Dare Call It Conspiracy. By sheer volume, the "experts" will try to ridicule you out of investigating for yourself as to whether or not the information in this book is true. They will ignore the fact that the author about to conjecture. They will find a typographical error or argue some point that is open to debate.
