*The Alchemist* by Paulo Coelho continues to change the lives of its readers forever. With more than two million copies sold around the world, *The Alchemist* has established itself as a modern classic, universally admired.

Paulo Coelho's masterpiece tells the magical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure as extravagant as any ever found.

The story of the treasures Santiago finds along the way teaches us, as only a few stories can, about the essential wisdom of listening to our hearts, learning to read the omens strewn along life's path, and, above all, following our dreams.
