T. J. Denton's *The Big Payback* is a unique chronicle of the success achieved by an honest man who faithfully served his country during wartime, saving lives in the process. Thomas Dugmal, a former Marine, is a father of four with lovely wife, Beverly, whom he adores. Through hard work and diligence over the years, Thomas and Beverly have built several successful businesses, including T&B Fitness Center.

Finally, after all their years of living right and working hard, they were just about to take their fitness business national, but one night - one mistake - and, in the blink of an eye, it all changed. They lost everything ...their whole world was turned upside down and their family in danger.

Thomas masterminds a plan to take back what is his and, with the support of his trusted company of former Marines, goes on an intense, complicated mission. This is when the adrenaline flows as they place this dangerous plot into action. You won't believe how this all plays out....
