**When a Nation Forgets God: 7 Lessons We Must Learn from Nazi Germany** Erwin W. Lutzer

**This excellent book is so important. It clearly and powerfully explains what the parallels are between Germany's fall from grace and the beginning of our own fall.** - Eric Metaxas, author of *Bonhoeffer: Pastor, Martyr, Prophet, Spy*

In *When A Nation Forgets God*, Erwin Lutzer studies seven similarities between Nazi Germany and America today—some of them chilling—and cautions us to respond accordingly. Engaging, well-researched, and easy to understand, Lutzer's writing is that of a realist, one alarmed but unafraid. Amidst describing the messes of our nation's government, economy, legal pitfalls, propaganda, and more, Lutzer points to the God who always has a plan.

At the beginning of the twentieth Century, Nazi Germany didn't look like a country on the brink of world-shaking terrors. It looked like America today. *When a Nation Forgets God* uses history to warn us of a future that none of us wants to see. It urges us to be ordinary heroes who speak up and take action.
