## **A Walking Shadow** J. B. Niceley

A single act of uncontrolled anger turned a typical East Tennessee teen into a fugitive. Running from the law, Harv Niceley embarked on what would become a ten year trek across the United States, during which he lived by his wits, his tenacity, and his own set of rules. Ultimately his search for meaning and purpose took him back to his roots. Based upon actual people and events, from 1840-1930, A Walking Shadow follows the tale of both a man and a country, at war with themselves, and searching for peace with God and each other.
