God left humanity in the care of the angels. Centuries have passed, and Heaven is preparing for His return.

After centuries of imprisonment in Heaven, Ariel is given a chance to redeem herself in the eyes of the archangels. Years after her last descent, Ariel must return to the mortal land to fulfill her mission for the coming of God. But the memories of her past sins catch up to her, and Ariel must decide where her faith truly lies.

The city of Chicago was the chosen residence of the eccentric demon, Caelum. His taste of entertainment sets him apart from the rest of his kind, driving him to walk amongst the mortal men. But when he is presented with an opportunity to have a hand in Hell's grand plan, temptation beckoned him to take the risks. Walking through shadows and nightmares he crosses paths with an angel from Heaven, and the memories of his forgotten humanity begin to resurface.

Both Heaven and Hell have plans for the End of Days with the angel, Ariel, and the demon, Caelum, at the center. When faith is threatened, two natural enemies become unlikely allies in a war for all Humanity.
