God's Purpose for Your Life: Getting to Where God Wants You to Be! Barbara Wentroble

Many people experience God's call on their lives but do not become the chosen and then eventually the faithful because they give up before they arrive at their full potential. Why? Because they don't understand that God's call is only the beginning of the journey—a process of development and testing that often involves difficulty and warfare. There is a great need in the Church today for those who have persevered and become the faithful to provide spiritual mentoring to those who are just beginning the journey. God is raising up the faithful to not only take the Church to a new level and extend His Kingdom on Earth but to also help release and sustain revival and to become spiritual fathers and mothers to the next generation.
