Swami Vivekananda on Himself Vivekananda

This book is in effect a biography of Swami Vivekananda, written by the author himself, gathered through letters he wrote and lectures he gave as he traveled throughout the world. Honest almost to a fault, the book gives a glimpse of the multi-faceted personality of the swami from his early days. "Yes, the older I grow, the more everything seems to me to lie in manliness. This is my new gospel."
