The Prince of Nubia (The Mummifier's Daughter Series Book 6) Nathaniel Burns

Torn between duty to the Egyptian pharaoh, Ramesses, and duty to his people and their traditional beliefs, Shabaka finds himself having to cope with an unwanted betrothal, rioting locals, and the traditional dance festival, when all he wants to do is find his missing partner, Neti.

While Moses is summoned to assist, aid comes in the most unlikely manner and uncovers something far more dangerous than mere desert raiders ...

The Prince of Nubia returns us to a land steeped in mystery and magic. It paints a detailed picture of Ancient Egypt in all its glory. Faithfully recreating one of the most remarkable eras in Egypt's history, author Nathaniel Burns weaves a shudderingly ominous tale of ancient Egypt's mysteries revealed through a cast of characters the modern reader will recognize even though millenia have passed.

So light up the incense, sit close to the light and draw back the curtains on the shadowed past with this gripping tale of love and intrigue among the living and the dead in one of history's most intriguing civilizations.
