Blood Magick: by Nora Roberts (The Cousins O'Dwyer Trilogy, Book 3) | Summary & Analysis

This is a Summary & Analysis of Blood Magick. Branna O'Dwyer has devoted her life to her magick, always dutifully accepting the responsibility that comes along with her ancestral roots as the Dark Witch of Mayo. As a witch, she is skilled in her abilities to concoct potions and write spells and she is a pillar of strength and healing. To family and friends, she is a gifted homemaker, her cottage radiating warmth and comfort. But no amount of magick can help her in the one area she truly struggles – love.

Nora Roberts' novel is the wickedly dramatic conclusion to The Cousins O'Dwyer trilogy, a series set around the Dark Witches of Mayo and their quest to bring an end to the evil reign of the dark sorcerer Cabhan. It first began with the story of Iona Sheehan, the young American who journeys to Ireland in search of her roots, and then secondly focused on Connor O'Dwyer as he comes to grips with two of the strongest powers he's ever known: dark magick and true love. The third and final chapter surrounds Branna O'Dwyer, the Dark Witch of Mayo, a conjurer of dark magick who must find a way to destroy the evil Cabhan once and for all.

You also get the following in this Summary & Analysis of Blood Magick:

- Book Review
- Story Setting Analysis
- Details of Characters & Key Character Analysis
- Summary of the text, with some analytical comments interspersed
- Discussion & Analysis of Themes, Symbols...
- And Much More!

This Analysis of Nora Roberts' novel fills the gap, making you understand more while enhancing your reading experience.
