## Continuity and Change in Family Relations: Theory, Methods and Empirical Findings (Advances in Family Research Series)

The chapters in this volume were developed as a follow-up to the Summer Institute entitled "Continuity and Change: Family Structure and Process" conducted by the second Family Research Consortium. The goal of this book is to provide readers with a greater understanding of both the conceptual issues involved in the study of continuity and change in families, and also some of the methodological approaches that have been developed for investigating families over time.
