**Dreamtime: A True Story That Hasn't Happened Yet** Alan J. Martin

Be Careful What You Wish For. Some Dreams Take On A Life Of Their Own.

It was just a matter of time... quantum leaps in technology, mind over matter, wars fought with thought, reality as malleable as clay.

The Earth they knew was ravaged. Mankind finally had to face his darkest fears... and his own extinction. Their only hope was to fight fantasy with fantasy.

Still guilt-ridden years after the death of his friend, Ayin has drifted most of his life bound to no man's rules. When he awakens without memory in a mysterious realm not on any map, a mythic guardian unloads the weight of all worlds on his shoulders. Aided by a nobleman, a musician, and a scholar, he must save the Tree of Dreams from a living nightmare before it unravels all of creation.

Welcome to Dreamtime!

You need an imagination to enter

And belief in yourself to escape.
