Europe and the Cold War, 1945-91 (Access to History) David Williamson

The new editions of Access to History combine all the strengths of this well-loved series with a new design and features that allow all students access to the content and study skills needed to achieve exam success. The Second Edition of this popular title has been revised to reflect the needs of the current specifications. The book starts by examining the crucial events of 1944-7, which led to the break down of the Second World War alliance between the 'Big Three' and the onset of the Cold War. It shows how the Cold War shaped post-war Europe through the creation of two great military and economic blocs. Key events such as the Berlin bockade of 1948-9, the Hungarian revolt of 1956, the second Berlin crisis of 1958-61 and collapse of Communism from 1989-91. In this new edition additional material on detente has been added. Throughout the book key dates, terms and issues are highlighted, and historical interpretations of key debates are outlined. Summary diagrams are included to consolidate knowledge and understanding of the period, and exam style questions and tips for each examination board provide the opportunity to develop exam skills.
