Sometimes when life drops an insurmountable boulder in your path, the best thing to do is pave an alternate path and leave the past in your rearview...but what happens when the sins of the past come back to haunt you?

With just one wrong turn, ELITE finds both her life and that of her unborn hanging in the balance. Unbeknownst to Elite, ANYA has not only figured out where she's been hiding out at, but that she is more than a little pregnant with a child whose father remains a big question mark. Anya wastes no time spilling the tea back to OZ, and when his quest for vengeance kicks into overdrive, Oz proves that he's willing to sacrifice anyone to win the object of his twisted affection—even his own daughter.

BISHOP is looking forward to the birth of his namesake, but with Oz on a mission of revenge, his supply quickly dries up. With Oz posing a threat to both his business and his love, Bishop has a plan to permanently dethrone the king of Jamaica.

IAN knows he's failed Elite as a father, but when he learns of the bounty that both James and Oz have on her head, he proves that fathers really do know best and swoops in to save the day, but will he make it in time to save her?

JAMES has found the perfect informant to help him capture Elite and dead Oz all with a single move, but what happens when the hunter becomes the hunted?

Elite is a "must-have" as the men in her life thug it out, but will they all come up short in the end?
