**The wedding guest from her past...**

For Celia Forrester, Marcus Black—her brother's best friend—was always totally off-limits. Especially after *The Night That Nearly Happened*. It was years ago, but Celia remembers it for all the *worst* reasons! But now, Marcus is back in the picture—he's the best man at her brother's wedding and more gorgeous than ever!

It's all kinds of inappropriate, but giving in to temptation looks like the best way for Celia to get Marcus out of her system. But their one night comes with consequences. And this time, it won't be fifteen years until they have to face them...*but nine months!*
