In a town packed with shifters of all stripes, it doesn't matter if you're looking for a quick-witted bad boy of a bear, or a lovable dentist with a heart as big as his muscles. In Jamesburg, there's something for everyone... and you're sure to be left HOWLING for more!

From USA Today and New York Times best-selling author Lynn Red comes the second Jamesburg Shifters collection. This set combines the full text of the books "Bear Me Away", "Bearly Hanging On" and "Bear Your Teeth" in one convenient, value-priced package.

No matter what you love in romance, as long as you like strong heroines, heroes that'll stop your heart, and a whole lotta fun, you're going to find it in this wildly exciting town. Welcome home!

Bear Me Away

It's hard to say that Elena St. Claire – an arctic fox-shifting, private investigator – is “down on her luck.” She's got stable work, a couple of close friends... but when it comes to finding a mate? All she knows is that if she DOESN'T find one, and quick, she's gonna go crazy from staring at every bear or wolf who tears through Jamesburg on a motorcycle.

Thomas James Westing – but please, just call him West – is a muscled-up bear who long ago turned to organic farming as his way of keeping his cool. He lives outside Jamesburg, alone, and he likes it that way. Sort of. At least, if he's alone, his secret – a past filled with rage – can stay that way: a secret.

When West wakes up one morning to find his garden ravaged, he calls the best private investigator in town. He expects to get the case solved, but when a white and copper-haired fox shows up at his doorstep with a cute little snaggle-toothed-on-the-bottom grin, West realizes he just got a lot more than he bargained for: his heart isn't gonna let this one go. This is a fox he needs to possess, to claim as his mate. If he doesn't? He might just go straight off the deep end.

Bearly Hanging On

Jamie Ampton is a sharp-tongued, pointy-toothed, vampy shifter with a penchant for neatly done-up hair buns and a habit of attracting EXACTLY the wrong sort of guy. Guys with a dash of arrogance, a pinch of cocky swagger turn her head... but when her last one turned out to be more “self-important jackass” and less “gruff and strong and takes what he wants,” it left her cold.

So to speak.

Ryan Drake has a dark past and a mysterious present. When he shows up demanding the town alpha do his part to care for Jamesburg's aging shifters, the first thing Jamie notices is that her heart starts beating a little quicker. The second is a knot in the pit of her stomach. And then, before she can catch her breath, he stares straight into her eyes.

She's never been one for the big, loud, muscled-up types, but in the space of two breaths, the elegantly detached Jamie finds herself falling for a bear.

Little does Jamie know that before he stomped into that courtroom, Ryan decided that nothing was gonna stop him from getting what he wanted. But, once he saw Jamie? Suddenly there were two things that this massive blue-eyed alpha bear were going to have, no matter what it took: help for his friends... and Jamie.

And Ryan? Ryan is one bear who ALWAYS takes what he wants.

Bear Your Teeth

Paprika Lewis is a copper-haired, curvy-and-petite, rabbit shifting smart ass with two BIG problems. First of all, she's got a pair of buckteeth the size of Kansas that pop out every time she has a dirty thought. She might not win any marathons, but when it comes to dirty thoughts, Rika might be a world champion.

Those dirty thoughts are usually about a guy named Thor who happens to be her dentist, which is the second problem. It's great that she can really enjoying her cleanings, but when the guy she's sweet on looks down her throat regularly. Not so hot.

Oh, and Thor isn't just a stormy-eyed tooth expert. He's also the biggest, baddest, alpha werebear east of the Mississippi. Maybe west of it too, it's hard to keep track.
