## A Clockwork Orange Unabridged CD Anthony Burgess

A vicious fifteen-year-old droog is the central character of this 1963 classic. In Anthony Burgess's nightmare vision of the future, where the criminals take over after dark, the story is told by the central character, Alex, who talks in a brutal invented slang that brilliantly renders his and his friends' social pathology. *A Clockwork Orange* is a frightening fable about good and evil, and the meaning of human freedom. And when the state undertakes to reform Alex to "redeem" him, the novel asks, "At what cost?"

This edition includes the controversial last chapter not published in the first edition and Burgess's introduction "A Clockwork Orange Resucked."
