**Eames Design** John Neuhart, Marilyn Neuhart

*Eames Design* is the definitive study of the work of the extraordinarily prolific husband-and-wife team whose creative imprint revolutionized the look of postwar American society. Now back in print, this groundbreaking book remains the most complete catalog of their studio ever produced, examining in considerable depth every project--more than 200 in all--produced by the Eameses and their office of topflight designers from 1941 to 1978.
