## How to Marbleize Paper: Step-by-Step Instructions for 12 Traditional Patterns (Other Paper Crafts) Gabriele Grünebaum

The beautiful centuries-old craft of marbling — decorating paper through the use of "floating colors" — dates back to eighth-century Japan. Today marbling is a newly popular craft, enjoyed for the exquisite and unique designs it produces (no two are alike) and its myriad of decorative applications.

This volume is a complete step-by-step illustrated guide to the entire marbling process. Artist Gabriele Grünebaum shows you how to prepare colors, form beautiful and striking patterns, and transfer them onto prepared paper. Included are a list of tools and materials and helpful suggestions for avoiding common mistakes. In addition, an informative introduction traces the history of this wonderful handicraft.

Create beautiful, versatile craft papers with colorful swirls, bold spotted designs, and exciting combed lines. Choose from 12 different patterns: Fantasy, Stone, Swedish, Wave, Comb, Snail, Bouquet/Peacock, Floral, Veined, Tiger, Oil-Color, and Oil-Color Batik.

Marbled paper can be used for decorating books, boxes, lampshades, wall hangings, decoupage, picture frames, linings, wallpaper, greeting cards, stationery — almost any art or craft project. Artists and crafters who want to create their own original marbled papers will find this inexpensive edition a handy guide for learning basic techniques and a rich source of design ideas.
