Peter Pan needs help, and he's convinced the effervescent Wendy Darling is just the girl to champion his cause. Ever since the mischievous fairy Tinker Bell began recruiting—more like, snatching—boys from London's orphanages to take them to a magical place called Neverland, things have gotten out of hand. Captain Hook has only become more violent and the boys more lost as their memories of life before Neverland begin to fade. Peter's only hope is to get the boys back to England and help bring balance to Neverland before Hook's dangerous escapades kill them all. Wendy is not quite certain why such a handsome young man would need her—especially a lad who clearly has a touch of madness in him. What boy learns to fly? But whatever the reason, home life has become too much for her now that her parents are hoping she marries an acquaintance she can barely abide. There is something about Peter Pan that intrigues her greatly, and then there is this magical world he talks about, this Neverland . . .
