The Path Of The Divine Rainbow Leon Moscona

We are living in extraordinary times! For our epoch St. John witnessed: Then the one who sits on the throne said, 'And now I make all things new!' (Revelation 21:5). There are many prophecies and predictions in the world religions which point to our time as the end of the present Indo-European Cycle of evolution and the beginning of a new Cosmic Cycle. The ancient Mayans even gave a precise date for this metahistorical event – December 21, 2012! What does the future hold for humankind? This book, third of the trilogy, *The New Reality*, gives some answers to this question. The first eBook, *2012 and the New Genesis*, describes the prophecies and predictions of the end of the Indo-European cycle of evolution and give ideas on how best to meet this apocalyptic event. The second eBook, *The Testament of Truth – Manifesto*, gives keys to the eternal Divine truth about God, Creation and the Human Being made in the image and likeness of God. It also introduces the coming New Reality for humankind as a whole through the Mandala of the Heavenly Jerusalem. This book, the third in the series, traces the Path to the New Reality - the Nine-fold Rainbow Path! The book, as the previous two, gives concentrated spiritual substance, which requires attention and is at times quite metaphysical and mystical. This is natural because the Path of the Divine Rainbow stretches from the restricted earthly consciousness to the higher Divine worlds. The book is a challenge, but a blessing as well! Even to gain the Right Understanding of the coming New Reality and to see clearly the path to it, is a great help and inspiration. The book traces an initiatic journey on the Path of the Divine Rainbow and guides the reader to the reality of the New Heaven and the New Earth!
