We have all heard the song The Twelve Days of Christmas, and we have all seen the traditional Christmas crèche. Now, author Sam Beeson and photographers Nina and Terral Cochran combine these two classic Christmas icons to create A Rare Nativity.

Upon reading the first lines of the book, it is clear the narrator holds a bitter grudge as he sends his enemy crude and discarded gifts: On the first night of Christmas I gave my enemy a briar from a tanglewood tree. On the second night of Christmas I gave my enemy two rotten eggs.

Night after night the gifts pile up shards of glass, rusty nails, gnarled twigs, and more. What the narrator's enemy decides to do with each of these odious gifts is nothing less than a Christmas miracle. The photographic creation of the rare nativity at the end of the book is both a work of art and a wonder to behold.
