All Night By The Rose Kevin Newman

In this collection of short stories we are introduced to a city of depravity, a misanthrope who is compelled to blast away others' delusions of grandeur, a psych ward terrorized by an author, the entropic boredom at the heart of a car plant, a man who finds himself caught in the act of becoming a spider, a building with character encompassing several eras, a fellow who must come to terms with how he treated his brother, two love stories that defy expectations, two tales of the fantastic to be found in the Middle-East, childlike theism and a trailer park in space.
