## Christianity As Old As the Creation: Or the Gospel a Republication of the Religion of Nature (Classic Reprint) Matthew Tindal

Preface concerning the Government of the Church of England, as by law established. The other came out at London, 1730, under the title of Christianity as Old as the Creation :or, the Gospel, a Republication of the Religion of Nature Besides these two important works, he wrote a great number of smaller pieces or pamphlets in defence of Civil and Religious Liberty. He died at London, in August 1733, Fellow of the Royal Society, and it appears that the faculties of his mind were well; for, although he was about seventy-three when he published his Christianity as Old as the Creation, yet he left a considerable volume of that work in manuscript, by way of general-reply to all his answers; the publication of which was prevented by Gibbon, Bishop of London.
