Everyone talks about getting into college. No one talks about not getting in...until now. Getting Over Not Getting In speaks to students who gave it their all, but still got rejected from their dream college and want to know why. The author, a former rejected applicant herself, draws upon current studies, interviews and her personal experience to show students that college rejection should not be taken personally - in fact, it is often based on factors beyond their control, like geography, "hooks," rankings pressure, finances and luck. Getting Over Not Getting In lets students in on this untold truth, and many more. The book also includes humorous fictional essays like "Rejection Rehab" and 'A Letter from Your Future Boss.' Getting Over Not Getting In offers the insights and laughs to help students move on and get excited about college again.
