Release the Titans! Jonathan Hickman's revolutionary world combines the best fictional elements of mythology and science fiction into a unique narrative. Series author Mike Costa (G.I. JOE) brings the legendary Titans back to a world ravaged by the arrogance of the squabbling gods. Now mountain-sized giants crush everything beneath their feet as they lay waste to god and man alike. The world that has endured destruction and horror at the hands of petty deities now must once again bear the weight of a god war - or be annihilated! This volume collects issues #19 - 24 of the ongoing God is Dead series.
