I Eat Cannibals Gina Abelkop

Poetry. I EAT CANNIBALS, the second collection from poet and Birds of Lace editor Gina Abelkop, operates as a meditation on what it means to have and inhabit a body, finding herself both human and un-human while navigating the ether between the physical and spiritual. Intertwined throughout are meditations on temporality, home, and ownership, explored through dance music and a visceral, ever-evolving relationship to the land.
