Learning Pixel Art Max Hervieux

Pixel art is an intricate and precise form of art famous for its legacy in video game art of years gone by.

However, it continues to thrive today as an art form of its own, and in mobile game development.

Many people try to enter the world of pixel art underestimating the depth of the medium. This book is meant to remedy that, taking you from knowing absolutely nothing to being well-versed in the medium and ready to make your own art.

You won't find any step-by-step paint-by-numbers tutorials here. This book takes you through the techniques you'll need to make your own art. It explains why certain techniques are important or problematic in clear language, not jargon. It is furnished every step of the way with illustrations and diagrams to help both visual learners as well as those who prefer to read.

With a wide array of exercises to help you practice your skills, Learning Pixel Art will help you reach your pixel art dreams!

Learning Pixel Art can also help existing pixel artists! With in-depth discussion of techniques in the context of the modern cluster-based view of pixel art, even artists who've been making pixel art for years can learn something about how techniques are connected and significant. Learning Pixel Art also supplies a set of terminology with which to discuss pixel art with others.

If you'd like to sample the book before you buy it, two previews are available: the entirety of the first two (of eight) chapters discussing What Is Pixel Art and Clusters, the basic unit of pixel art, as well as the whole appendix of Exercises to see what skills you might be missing! These samples are available at www.logbook-project.com/p/learning-pixel-art.html

From reader reviews:

Karen Ruiz:

Reading a book tends to be new life style on this era globalization. With studying you can get a lot of information that could give you benefit in your life. Along with book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. Many author can inspire all their reader with their story or their experience. Not only situation that share in the textbooks. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors in this world always try to improve their skill in writing, they also doing some research before they write to their book. One of them is this Learning Pixel Art.

Della Bailey:

Is it an individual who having spare time subsequently spend it whole day by watching television programs or just laying on the bed? Do you need something new? This Learning Pixel Art can be the response, oh how comes? A book you know. You are therefore out of date, spending your time by reading in this fresh era is common not a geek activity. So what these textbooks have than the others?

Angel Huitt:

What is your hobby? Have you heard in which question when you got students? We believe that that query was given by teacher for their students. Many kinds of hobby, All people has different hobby. And you know that little person just like reading or as studying become their hobby. You should know that reading is very important along with book as to be the thing. Book is important thing to include you knowledge, except your teacher or lecturer. You see good news or update about something by book. Many kinds of books that can you go onto be your object. One of them is niagra Learning Pixel Art.

Carmen Pinto:

Some people said that they feel bored when they reading a guide. They are directly felt the item when they get a half parts of the book. You can choose typically the book Learning Pixel Art to make your own personal reading is interesting. Your own skill of reading proficiency is developing when you including reading. Try to choose easy book to make you enjoy to see it and mingle the feeling about book and examining especially. It is to be very first opinion for you to like to start a book and go through it. Beside that the publication Learning Pixel Art can to be your new friend when you're really feel alone and confuse in doing what must you're doing of that time.
