Watch the Wrath unfold! Clubs. Mafia. Drugs. Murder. And the man they all know as Scarface, will leave you guessing in book one of this brand new series...

Eloped at the age of eighteen. Separated at the age of eighteen. Disappeared at the age of eighteen. This is what happened to Calla Greer. Her perfect life was shattered on her wedding day when she caught her husband Cain with another woman just hours after they said I do. With her heart broken, she moves across the border to Windsor, Canada to get away from the nightmare she stumbled upon. Hell bent on going to college and fulfilling her dream of becoming a lawyer.

After six long years of still being married, Calla returns to Detroit to have Cain sign divorce papers.

Only Cain has changed.

He's bitter, angry and for a good reason.

At least that's what he's been telling himself for the past six years.

Cain Bexley had fifteen minutes to destroy his marriage to protect the woman he loved.

He did the only thing he could think of to make her leave. He jumped in bed with a woman. Life at home was a lie. Lives were at risk. People are not who they seem.

Not even Cain's dad or Calla's parents are who they say they are. When Calla shows up begging for a divorce. He shows her exactly who he is and no way in hell will he sign those papers.

What happens when six years later she returns? The only woman he has loved. A woman who has changed herself! When all the lies surface will she be able to forgive everyone she has trusted in her life or will Calla turn to the man who destroyed her?
