What If? Jerry D. Young

BETHANY AND GARY HAD A LOT IN COMMON

Both were independant minded and self sufficient. They were well aware of the dangers in the world and did what they could to be ready for anything, just in case. As the world spiraled out of control it appeared that their worst fears were coming true before their very eyes just as they were beginning to fall in love and begin their lives together. When disaster struck, they would find their preparations and their love would be tested but would their struggle to survive bring them closer together or tear them apart? The truth is, in a world of “What Ifs?”, anything could happen.
