History's Vanquished Goddess ASHERAH: God's Wife: the Goddess Asherah, Wife of Yahweh. Archaeological & Historical Aspects of Syro-Palestinian ... Traditions, Macrocosmically Examined

Darlene Kosnik

Long buried in the sands of time, the suppressed history of the Great Canaanite/Hebrew Mother Goddess Asherah* is reconstructed through analysis of archaeological and historical aspects of pre-Biblical religious traditions. Asherah's submerged story unfolds as the shovels of archaeology resurrect what the pens of history omitted.

Following a trail of archaeological discoveries, Asherah's history evolves through 555 archaeological drawings, 1,183 references, 183 mini-maps and 274 Similar Iconographic/Historic Associations.

*A subject pioneered by Raphael Patai's *The Hebrew Goddess* (1967) and William G. Dever's *Did God Have a Wife? Archaeology and Folk Religion in Ancient Israel* (2005).

Look Inside sometimes distorts images – book's print version does NOT distort images.
