## **In the Dark** Mai Jia

Hidden deep in the mountains, the recruits at 'Unit 701', China's secret services, operate in a dark, shadowy world. There is the 'wind-listener', a blind surveillance officer who can hear sounds from miles away; the beautiful, unstable math genius who meets a violent end; the old man who deciphers codes in his dreams; the spy who recounts a dangerous mission from beyond the grave. In this story of conspiracies, geniuses, revolutionaries and terrible moral choices, people sacrifice everything for a world of secrets—until, ultimately, it destroys them.

Oh come on your reading through sixth sense already said so why you have to listening to one more sixth sense.

#### **Bruce Jackson:**

As a student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this In the Dark can make you experience more interested to read.
