Having a surfeit of super powers is great for battling bad guys and saving the world, as Jim (aka Kid Sensation) is finding out, but less useful in dealing with day-to-day situations – like bonding with his superhero father, adjusting to a team environment, and coping with what might be perceived as a growing rivalry between himself and another teen super. On top of all that, despite having a serious girlfriend, he finds himself inexplicably drawn to a new female super he's just met. At the same time, some villain has just gotten himself a new toy: an unknown weapon of tremendous power that is able to strike without warning, causing unprecedented destruction and loss of life. Perhaps more terrifying, the wielders of this weapon make no demands and issue no threats; they simply attack. Even the Alpha League, the world's greatest superhero team, is not immune, suffering an assault on their very own doorsteps. It quickly becomes clear that the only way to stop this new evil is from within. With his unique abilities, Jim is the only person capable of infiltrating the enemy's ranks. It's up to him to figure out who is behind these attacks, what they want, and find a way to stop them – and their secret weapon – before they bring the entire world to its knees.
