**The Sea of Ash** Scott Thomas

A fresh take on cosmic horror...

A Victorian Englishman summons a strange puppet-like being to an old Colonial Inn. A doctor returns from the Great War and discovers a mysterious naked woman at the edge of the Atlantic.

A contemporary collector of arcane books retraces the steps of these other men -- adventurers who sought out the mysteries of neighboring dimensions.

In **THE SEA OF ASH**, Scott Thomas takes us along as three men from three different centuries experience the wonders and horrors of an unknown New England.

"Never had the universe felt so vast, and I so small within it. I had, through circumstance, been made aware of something, but of what? Something either too horrible or too beautiful for humans to know." —From *The Sea of Ash*
