The Texture of Life: Purposeful Activities in Occupational Therapy, Second Edition

The Texture of Life: Purposeful Activities in Occupational Therapy, Second Edition

To keep occupational therapy in the forefront of societal changes, occupational therapists need to know and thoroughly understand all of the dimensions and expressions of activities and how they are enfolded into human occupation. The chapters in this book showcase applications of this new understanding in real and practical ways through case studies and thoughtful exercises, using the language of the ICF and the Practice Framework.
