**Forget what you think you know of the universe. This is Sinphoria.**

The universe writhes under the influence of sin—a primal bond empowering infernal creatures. The phoenix Mira is a sentient being born of the stars. Her purpose is to rid the universe of the demonic beings that plague it. The self-governed world of Malstyx is a breeding ground for sin and corruption. Mira's kin feel that Malstyx is beyond saving. If the situation escalates and threatens other worlds, then they would step in and purge Malstyx of all its inhabitants. It was up to Mira to prove them wrong and keep the shadows at bay.
